

ISO 9001 : 2008
CERTIFIED

 INDUSTRIAL CONTROL PANEL

INTRODUCTION

Lubi Electronics is an ISO 9001:2008 TUV certified organization dealing in Industrial Automation Products & Solutions. Lubi is committed to Design & Manufacture quality control panels integrated with electrical, electronics & automation components and engineering excellence to cater complete industrial solution.

Lubi has an experienced design team with latest design software & tools, In-house testing facilities for checking quality & functionality of Control Panels. Our designed Control Panels are working in almost all industries like Printing & Packaging, Plastic, Pharmaceuticals, Chemical, Food, Pump, Process, Machine tool, Textile, Engineering etc.

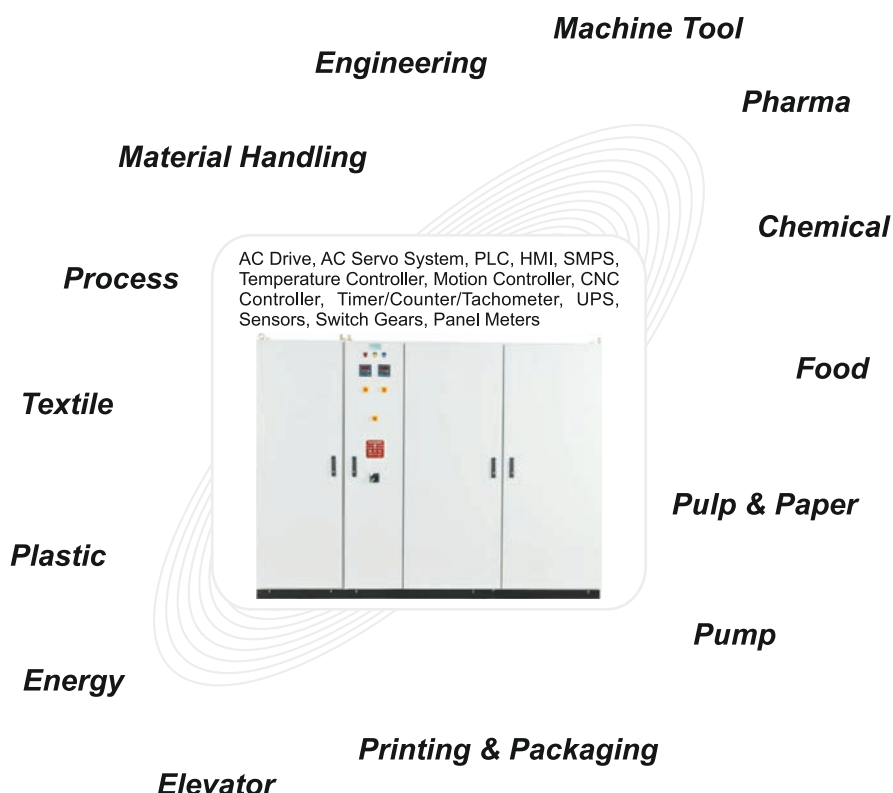

We aspire to become a preferred supplier of the products we manufacture and services we offer with continuous increasing supply and consistent high quality. We aim to continue developing new products with value added engineering solutions and technology to keep pace with growing market requirement. We will develop innovative concepts and skill engineering to cater various industrial solutions.

Types of Panel

- Design & Built as per customer requirement
- Automation control panel with system integration of PLC, HMI, VFD, AC Servo
- Instrumentation panel
- Starter panels DOL/STAR-DELTA/ATS
- Automation Panel for Pressure Boosting Application
- Power distribution panel, PCC, MCC, APFC
- Bus Duct panel
- Feeder panel
- Synchronizing panel
- Design with proper cooling arrangement
- High quality switch gears & automation components
- MS / SS / ABS plastic enclosure with different industrial IP ratings IP44, IP55, IP65
- CPRI Approved

CUSTOMER APPLICATION : INTEGRATED AUTOMATION PANEL WITH VFD, HMI, PLC & AC SERVO

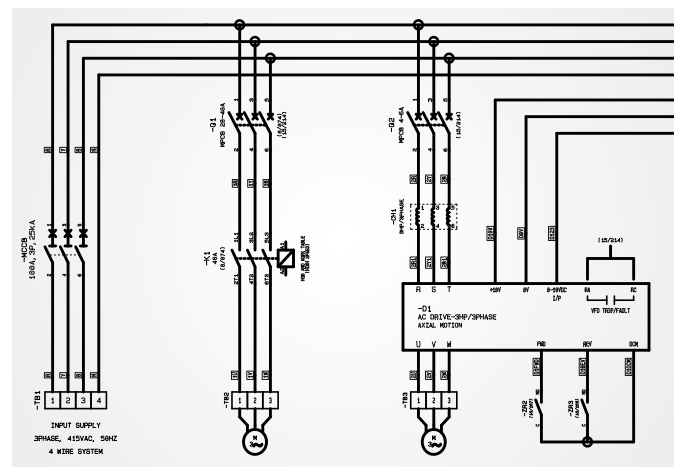

BILLS OF MATERIAL

Job : LE-110401			Date: 25/06/11	
Sr.no.	Item Description	Specification	Make	Qty.
1	MCCB	100A, 3Pole, 25kA	Siemens	1
2	MPCB	28 – 40A	Siemens	1
3	MPCB	4 – 6A	Siemens	1
4	Power Contactor	40A, 3P, Coil Voltage – 220-240V AC	Siemens	1
5	Power Contactor	32A, 3P, Coil Voltage – 220-240V AC	Siemens	1
6	Input Choke	3hp, 3Phase, 12A, 5mH	Prima	1
7	Ac Drive	3 hp, 3Phase	Delta	3

KEY STRENGTHS

- Complete Industrial Solution
- High Quality & Reliability
- Excellent Workmanship
- Aesthetic & Ergonomic Design
- Innovative Concepts
- Skill Engineering
- High Product Value
- Customer Satisfaction

Authorized Distribution Partners

Lubi Electronics
